The tanned back skin hides that Northern Pines has skillfully selected and expertly crafted into this strikingly beautiful hand-made rug has final dimensions of 94" x 94" (7'8" x 7'8"). The deliberate cuts and placement of the

various hide swatches creates spectacular optical illusions that can be enjoyed from every angle. This distinctive pattern can be displayed as classic wall art (D-ring hangers are sewn in) or as a durable area rug with the edges binded with genuine Zora Cow leather with black fabric backing that will provide years of service as a stunning decorator rug.
