
Item #25 - Large Big Green Egg and the Egg Nest

**Winning Bidder Must Make Arrangements to Pick Up
the Big Green Egg in Louisville, Kentucky**

Your Life Will Never Taste the Same!

The **Big Green Egg** is the highest quality, most versatile & simplest-to-use outdoor cooker you'll ever own.

Ed Monarch of *McBrayer Law Firm* has made it possible for us to offer this large, legendary American designed ceramic outdoor charcoal cooker, the ultimate grill, smoker and oven! Made of space age ceramics, the Big Green Egg has greater moisture retention, takes only 10 minutes to start, and has easier temperature control than gas grills, smokers and kettle grills. The unique design of the Big Green Egg makes it ideal at retaining heat, and gives you better, more accurate temperature control, allowing you to become a true master of the grill. No other grill offers you more versatility. From appetizers and entrees to desserts, the EGG will exceed all of your culinary expectations. All Big Green Egg cookers include a manufacturer's Best-in-Class limited lifetime warranty.

KYSCI also thanks *Irvington Gas Company*, of Irvington, Kentucky, Dealer of **THE BIG GREEN EGG!!**
