

**YOU ARE CORDIALLY INVITED
TO ATTEND OUR
THE 27TH ANNUAL
KENTUCKIANA CHAPTER OF SCI
FUNDRAISING BANQUET
Saturday, February 19, 2022**

Dear KYSCI Members:

I want to personally invite you, your family, and your friends to our upcoming 27th Annual Fundraising Banquet at the Audubon Country Club in Louisville, Kentucky on Saturday, February 19, 2022. You may dress for our annual “Safari After Dark” theme to celebrate safaris of by-gone days or dress like a modern-day hunter or dress casual. Regardless, join your Kentuckiana friends and have a good time celebrating our return from the COVID lockdown and our focus on our hunting heritage! Visit our Chapter’s website, www.kentuckianasci.com, to see this year’s live auction items, in-house only Super Silent items and to register for the banquet!

Social Hour begins at 4:00 P.M. with dinner being served at 7 P.M. The silent & Super Silent auctions opens at 4:00 P.M. and our live auction begins at 8 P.M. We have a wonderful variety of hunting trips up for auction this year plus many other items of interest. Dave Noem of Noem's Wildlife Artistry will have a fascinating display of trophy mounts from around the world and numerous outfitters/donors will have displays and be on hand to discuss their hunt donations.

As you know, our local Chapter members, in coordination with other SCI Chapters around the world, work diligently and without pay. SCI is relentless in its efforts to protect your 2nd Amendment Rights and opportunity to hunt for you, your children and grandchildren. Please join us and continue to be a part of protecting our 2nd Amendment Rights and our freedom to hunt.

This fundraising banquet is our only source of income for our youth, humanitarian services programs, and more (see below) and we need your participation. Again, please join us for a wonderful, family friendly evening on Saturday, February 19, 2022 and bring your family and friends. If it is not possible for you to attend, please support your local SCI Chapter by following and bidding through the www.onlinehuntingauctions.com and **renewing your membership** in SCI and Kentuckiana SCI. Also support your Chapter’s sister program KHFH by **making a tax-deductible donation** to the *Kentucky Hunters for the Hungry Program*. I look forward to seeing you at the banquet!

Yours in protecting our **Right & our Freedom** to Hunt,

Bob

CHAPTER VISION & PROGRAMS

The Kentuckiana Chapter of SCI is run by *volunteers* who are dedicated to protecting our hunting heritage. SCI receives only 30% of the net funds raised by our Chapter fundraiser. Of that 30%, we can reclaim 15% through grants. The remaining 15% of the funds raised goes to SCI to help offset operating expenses, for conservation efforts, to preserve our right to hunt, and to protect our right to own firearms. Effectively, 85% of the funds raised by our Chapter at our fundraising banquet are retained by our Chapter & used for our local projects.

On the local level, our main focuses are educating our youth (who are the future of hunting) & humanitarian service. KYSCI funding is responsible for the following and *much more*:

- **Youth & Apprentice Hunter Education Program** – On Hold Due to COVID - Our all-volunteer, firearm safety & responsibility training program helps youth & apprentice hunters obtain Hunter Safety Orange Cards & provides hands-on training in archery, shotguns, rifles, muzzleloaders, tree stand safety, blood trailing, anatomy, field care of meat, & more.
- **Kentucky Hunters for the Hungry (KHFH)** – Our Chapter created, helps fund, & appoints the Board that runs KHFH. This program pays for processing legally killed but unwanted deer. The processed meat is distributed by “Dare to Care” to food banks & homeless shelters & provides over 300,000 meals yearly.
- **Sam Monarch Memorial Youth Scholarship** – Each year an outstanding KYSCI affiliated student entering college shall be awarded a pro rata scholarship valued at \$2500.
- **National Archery in the Schools Program (NASP)** - KYSCI helps establish programs, train coaches, & fund, in part, NASP in many local schools.
- **4-H Shooting Sports Program** – KYSCI provides funding to purchase equipment & supplies for children who would not otherwise have the opportunity to participate.
- Each year, our Chapter hosts a **Thank You Military Pheasant Hunt** (COVID delayed) for selected military personnel & KYSCI is a **KYNG Wounded Warrior** sponsor.
- KYSCI co-sponsors with Chapter members, the **SCI Humanitarian Services “Blue Bag”** project wherein member hunters hand-deliver clothing, school supplies & medical supplies to needy children in depressed countries around the world.
- **AWLS** – (COVID delayed) Our Chapter sponsors educators to attend a week-long *American Wilderness Leadership School* where they learn about the environment, conservation, outdoor survival & safety tactics & firearm safety & may become certified NASP instructors.
- **NWTF River Ridge Long Beards “Wheeling for Whitetails” Supporter** where disabled veterans enjoy guided crossbow hunting for whitetail, **and more**.

KYSCI promotes SCI’s Mission Statement that calls upon each of us to be "a leader in protecting the freedom to hunt & in promoting wildlife conservation". Please continue to be a member of SCI & KYSCI as we believe your goals and our goals are one in the same. Please continue to support our Chapter by being a member and attending our banquet. Go to www.kentuckianasci.com to register for our banquet and to see what is up for auction.
