**Special Edition, Limited  
Kimber Stainless Lightweight  
45 Caliber**

The Kimber Stainless Lightweight Pistol is a special edition, limited time offer from Kimber. It features a weight-reducing aluminum frame, match grade stainless barrel, cocobolo laminate grips with checkered gripping area, white dot rear sight, and red fiber optic front sight. The Kimber Stainless LW comes with one 8-round magazine.

Kimber builds the world's finest 1911 pistols right here in America—something that makes sense, as few things are as American as a 1911 .45 ACP. Virtually every critical component of every pistol is manufactured inside the Kimber factory. The finest raw materials come through the front gate and Kimber does the rest, the only way to ensure that every part meets unequalled standards.

America's best shooters keep choosing Kimber. Legendary LAPD™ SWAT tested five major 1911 brands and chose Kimber. United States Marines assigned to Special Operations Command chose Kimber. The U.S.A. Shooting Rapid Fire Pistol Team trains for Olympic competition with a Kimber. Most recently, LAPD™ SIS transitioned to Kimber. They all chose Kimber for the same reason: quality, dependability and accuracy.
