

Diamond by Bowtech Infinite Edge Pro Compound Left-Handed Youth or Developing Archer's Bow Package

A great bow for young hunters and developing archers, the Infinite Edge Pro offers incredible adjustability to match the archer's development. Combining Diamond performance with amazing versatility, this high-performance bow features draw-length adjustment from 13" to 31" with draw-weight adjustment from 5 to 70 lbs.! Not to be confused with a lightweight beginner bow, this bow features a redesigned cam system that launches arrows at speeds up to 310 fps with an incredibly smooth draw cycle and solid back wall. Bow is in Mossy Oak Break Up Country camo.
