Milligan Brand Outfitters has made it possible to offer you the opportunity to hunt elk in prime Elk areas using private land owner tags provided by Ray and Colleen Milligan of Milligan Brand Outfitters in New Mexico! This donation is a 1 x 1 hunt and includes 1 Cow Elk tag that is upgradable to a Bull Elk tag to be taken with rifle, muzzleloader or archery depending upon the hunt date and the method of take you chose. Mule Deer and Bear tags may also be added during their respective seasons per the pricelist. This hunt is based out of Milligan Brand's camps near Chama, New Mexico where the hunting is awesome!

Included in this in-camp Cow Elk hunt, includes guide services, lodging and meals can be scheduled for open dates of December 3-5, 11-13; or 19-21; or by arrangement with Ray Milligan. The value of this Cow Elk hunt is \$3,750 and that amount can be used as a credit to upgrade to a Bull Elk Tag or anything else on Ray's price list. ALL ELK HUNTS INCLUDE A GUARANTEED PRIVATE LAND ELK AUTHORIZATION SO THAT THE HUNTER MAY PURCHASE HIS/HER LICENSES.

Not included are any before or after hunt expenses; New Mexico big game hunting license/habitat stamp \$80; private land cow elk hunting license \$347.00 +/- (about \$100 cheaper than a bull).

All 24 of their leases are private ranches, with exclusive hunting rights, in one of the highest success areas in the world. Their leases vary in elevations from 7,000 feet minus to 10,000 feet plus, which cover five life zones on the major and two minor migration corridors that are in the area. All of their leases hold elk year-round, except during the harshest winters. This wide variety of habitats and life zones is the reason Milligan Brand has had such a high rate of success (77% rifle) the past fifteen seasons.

Donation Value: \$3,750.00
