West Star Aviation has made it possible to offer you the opportunity to hunt elk on a private prime Elk area with **Lost Creek Outfitters** in Wyoming! This donation is a 3-day guided hunt for one (1) Cow Elk with rifle. With over 100 years of combined experience, at the end of the day, Lost Creek Outfitters want you to remember us them one of the best outfitters in the industry – and, as serious hunters themselves, they will do what is within their power to ensure your success.

The hunt is based out of Casper WY. This in-camp Cow Elk hunt, which is a 2 x 1 hunt includes guide services, field prep, lodging and meals and can be scheduled for open dates November and early December. Dates to be confirmed with outfitters and can be taken in alternative year depending on outfitter availability.

Past President Larry Richard and daughter Mallory successfully hunted with Lost Creek Outfitters this past fall.

Not included are any before or after hunt expenses; cow elk hunting license \$306, shipping, and gratuities.

Additional hunters may join at \$3000 per hunter, non-hunter at \$250.
